

Police Security Advice

Warning! Caution!

Get you and your freight to your destination safely.

One in six heavy goods drivers have been attacked on the roads in the past five years.

The tricks of the criminals are simple and clever at the same time.

This particular stretch of motorway is subject to regular attacks of curtain slashing.

Never discuss your route, destination or load with strangers during a break!

Never park your lorry out of sight. Look for well-lit, if possible supervised parking areas to use during breaks!

Check your vehicle and load after a longer stopover!

Never pick up passengers!

Inform police of any suspicious activity immediately!

In Germany you can contact the police 24 hours a day by calling the 110 emergency telephone!
